### Ready to take the next step in your career with us?

To us, good performance is about much more than turning a profit. It's about showing how you embody our valued behaviours - do the right thing, better together and never settle - as well as our brand promise, Here for good.

We're committed to promoting equality in the workplace and creating an inclusive and flexible culture - one where everyone can realise their full potential and make a positive contribution to our organisation. This in turn helps us to provide better support to our broad client base.

### The Role Responsibilities

- Part of the Bank's Fintech team that reports directly to the Chief Executive Officer's office
- Manage on-going Fintech projects, including its' timeline, budget, and scope etc.
- Identify Fintech opportunities through working with potential collaboration partners
- Work with Brand and Marketing team to host Fintech related events
- Proactively follow emerging Fintech trends and share new ideas
- Design and evaluate Fintech solutions, building stakeholders buy-in and commitments
- Manage relationships with internal and external stakeholders
- Facilitate Fintech trainings, with the objective of uplifting staff awareness around Fintech

## Our Ideal Candidate

- Bachelor's degree or above
- Interest and excitement about Fintech and the changing banking environment
- Has a "can do" attitude
- Resilient with an ability to handle uncertainty
- Ability to think holistically and to articulate your ideas
- Communicates and writes well (particularly in Chinese)
- 2-3 years of experiences in project management or system analyst preferred
- Technology / finance / banking background preferred

If you're ready to take on your next challenge, apply now.
