Ready to take the next step in your career with us?

To us, good performance is about much more than turning a profit. It's about showing how you embody our valued behaviours - do the right thing, better together and never settle - as well as our brand promise, Here for good.

We're committed to promoting equality in the workplace and creating an inclusive and flexible culture - one where everyone can realise their full potential and make a positive contribution to our organisation. This in turn helps us to provide better support to our broad client base.

The Role Responsibilities

1. To participate as team leader or team member in audit work.
2. To manage simple audits, depending on the skills of the individual.
3. To support the team manager to execute the assigned audit work in an efficient and effective manner, within the given budget and timelines, and in line with GIA methodology standards.
4. When acting as team leader, to provide guidance to team members to execute the assigned audit work.
5. To apply in-depth auditing skills and relevant business, technical and risk management knowledge to the assigned audits.
6. The individual may support the PHOA/CHOA in their role as the GIA portfolio/country subject matter expert, depending on the skills of the individual. This will include contributing to the GIA risk assessment and development of an appropriate audit plan for the PHOA/CHOA's assigned portfolio.

Our Ideal Candidate

- An experienced career auditor (internal or external) or a business person with a minimum of 5 years relevant experience in audit, governance, risk or in a business environment.
- Understanding of business strategy, plans, products, performance and related issues at the business unit level.
- Strong communication skills, both written and verbal, with ability to influence business management, other stakeholders and peers.
- Confident and courageous to raise/escalate issues in a proactive, professional and timely manner.
- Proactive, self-directed and able to work with minimum supervision.
- Ability to manage an audit team.
- Demonstrate understanding of, and commitment to, the Group's core values.
- Professional audit certification preferred.
- Ability to commit to >40% business travel (less for country teams).
